

Oakwood Extra Murals - Term 2

Welcome back to a new, busy term.

Parents, please remember that we offer a variety of extra murals in order for your child to participate in an activity that best suits the child, at your convenience at school. The teachers are not responsible for communication between parents and coaches and we are aware that the times or days may not suit everyone. We try our best to fit in as much as possible so as to suit the children's diverse developing interests, but strongly encourage unstructured, free play in the afternoons above daily set activities. When enrolling your child in extra murals, please do so thoughtfully.

Please note the start/end dates for the extra murals. They all work on 8 lessons a term, however with all the public holidays this term they cannot all start and end in the same week. Please keep the following information at hand until the end of the term. If there are any further questions, please address them to the specific extra mural teachers. All of their contact information is on the back of this letter. As you may have noticed, the RugbyTots times and days have had to change, we apologise if this causes complications, however it was unavoidable as we needed to ensure smaller classes – please be aware of the new time slots.

Kind Regards,

The Oakwood Teachers
