

Things to Remember...

Some private vendors will not be accepting tickets - only cash. We also do not have credit card facilities at the Fun Day so make sure you bring enough cash with you. Extra entry tickets, carnival bands and money booklets will be available on the day.

Remember that (apart from the VIP Parking) the only entrance to the Fun Day is through the entrance on Drama Street - parking on Naburn Meadow.

Please remember costumes and towels for the Scuba offering in the pool.

Your friends and family are welcome. You can either pre-book for them (billing on your school account) or they can pay for their tickets on the day.

Please make sure that you have your entry tickets ready to show the people working at the gate on Saturday. Unfortunately if you can't display your tickets you will be charged again.

Please remember sun screen and hats!

We hope you all have a wonderful time!
