

SOMERSET HOUSE 100 CLUB 2018

Dear Parents, Staff and Friends

19th January 2018

Thank you so much to those who participated in our 100 CLUB during 2017. Your generous support is most appreciated.

We will again be running the 100 CLUB during 2018 and hope that we can count on your support. The funds raised this year will again be used for the upgrade of sporting equipment both at Oakwood and the prep school. Tickets will cost R450, which will ensure your entry into 12 lucky draws of R1000 each.

The January and February draws will take place at the end of February, which will give us time to finalise our membership for 2018. Should you wish to be a member of our 100 CLUB, please complete the form overleaf and return it to Miss Mac's office as soon as possible.

We had another wonderful sporting year in 2017 and we believe 2018 is going to be another very special year for Somerset House. On behalf of all our children, thank you for your wonderful support.

Best Wishes
